PRINCIPAL'S NOTE

I am sitting here in my office reflecting on what took place today, the Veteran's Day Ceremony at Killbuck presented by the student council and staff committee members. I know this will appear in the December newsletter, but I feel the need to express how thankful and in awe I am today of what I witnessed in our gymnasium. First of all, the amazing work of the student council students and advisors. WOW! The gym looked wonderful, covered with artwork created by the students of Killbuck. When I arrived at 7:45 we had a gym full of dedicated students and staff decked out head to toe in Red, White and Blue. By 9:00 the gym was full with volunteers, students, and staff; all of them here to show their thanks and appreciation for the Veteran's in our community.

The students learned valuable lessons that morning; appreciation, responsibility, respect, empathy and how to care for others. They say it takes a village to raise a child. I truly believe I witnessed that today and I am proud to be part of this community.

Enjoy the Holiday Season and the time off with your children!
