

Early Dismissal Plan

Dear Lakeville Parent,

We need to prepare for the possibility of school being dismissed early. Fortunately, this seldom happens but, when it does, children often become confused and uncertain about where they are to go. To relieve anxiety, and to assure that your child will not be stranded outside his home in adverse weather, we ask that you complete this form, discuss the arrangements with your child, and send the form back to school.

Thank you for helping us keep your child safe.

Sincerely,

Rick Mullins, Principal
