Parents,

While shopping please keep these guidelines in mind.....Tank tops are okay for school if they fit properly. Keep modesty in mind-no undergarment showing, belly covered, fits well when standing and bending forward. Students will need to wear athletic shoes on gym days-special shoes for gym only aren't necessary.

A water bottle is a good idea during the heat of late summer. Hats and sunglasses are cool outside, but not in the classroom!

From time to time you will be asked to provide replacement supplies or send in items for Science experiments. We do have some school supply donations each year from churches and individuals-please call the school at 419-827-2006, if your child could use them.

Mr. Mullins, Principal
