

2016-2017 West Holmes After School Middle School Program

West Holmes again is offering an after school program for students in grades 6-8. Students who take advantage of this program will have opportunity for homework help, specific intervention, and other academic opportunities. The startup date will be Monday September 12, 2016 and will run through May 12, 2017.

The program will run in the middle school Monday – Thursday afternoons from 2:38-4:38. Parents will need to pick up students in the afternoon at 4:38. No school transportation home is provided. If for some reason there is no school (holiday, snow day, etc.) then there will be no after school program that day.

We are also going to offer tutoring to students that need extra help. Please check the box(es) for which subject(s) your child needs a little help in.

We will try and accommodate as many students as we can in this program, but need to follow state guidelines of 1:18 ratio, staff: students.

Please fill out the attached registration form and send it in to the middle school office by Wednesday, September 7, 2016.

Please call your school principal with questions, or contact Brian Zimmerly, program coordinator, at Nashville Elementary (330)378-2111. Email whol_zimmerl@tccsa.net
