This is by far the best camp we have attended. Last year was our first year and the three days were packed with activities for all. The food was outstanding and the staff at Heartland were very involved in making sure our students enjoyed their trip. Some of the activities we enjoyed included Zip Line, High ropes course, Ohio Living History village, Eco explorers, Group problem solving, Pathfinders and many other group games.

The dorms were top notch with boys and girls all in one building but separated in separate wings of the dorm. West Holmes teachers staffed the trip and were with students for the entire three days. Nurses were on staff and stayed at the camp as well. We look forward to attending again this year. Students make sure to keep your grades up, stay out of trouble, keep school absences to a minimum and turn in your fee to the office.
