

## **SAVE YOUR BOTTLE CAPS AND LIDS**

This year Nashville Elementary School is participating in a recycling program that can earn benches for the playground. The program not only helps the environment, but is educational for our students when they count, sort, or weigh the caps their classroom collects.

For one four ft. bench we need to collect 200 pounds of caps/lids.

Help us reach our goal by sending in your **CLEAN** caps and lids, see the lists below.
